MULTI-MODAL TRANSPORTATION MITIGATION AGREEMENT

This Multi-Modal Transportation Mitigation Agreement (hereinafter “Agreement”) is made and entered into this _____ day of ____________, 20__ (“Effective Date”) by and between Alachua County, a charter county and political subdivision of the State of Florida (hereinafter “County”), and the ________________________________ (hereinafter “Developer”).

WITNESSETH

WHEREAS, the Developer is the owner of an approximately _____ acre parcel of land identified as Tax Parcel Number _____________ and located at __________________________ as set forth in the legal description attached hereto as Exhibit “A” (“Property”); and

WHEREAS, the Developer has applied for final development plan approval to develop a ____________________ (use), to be known as the Development (“Development”) on the Property; and

WHEREAS, the Board of County Commissioners has established by ordinance a multimodal transportation mitigation program in Section 407.125.3, Alachua County Unified Land Development Code (“ULDC”), as required by and in a manner consistent with Section 163.3180, Florida Statutes; and

WHEREAS, the Developer has made proper application for use of multi-modal transportation mitigation to address transportation impacts in accordance with Section 407.125.3, ULDC, the Project is consistent with the Comprehensive Plan and ULDC, and the Developer has demonstrated that all conditions contained in Chapter 407, Article XII, ULDC, have been met in order for Developer and County to enter into this multi-modal transportation mitigation agreement; and

WHEREAS, the Developer has voluntarily chosen to satisfy transportation concurrency requirements through contribution of multimodal transportation mitigation consistent with the methodology found in Ordinance XX-11 adopted by the Board of County Commissioners; and

WHEREAS, the County has agreed to accept the mitigation the Developer has proposed to offset the impacts on the transportation system caused by the Developer’s proposed development; and

WHEREAS, the implementation of the agreement is authorized by Chapter 163, Florida Statutes, the County’s Comprehensive Plan (as amended by the Mobility Plan), and Chapter 407 Article XII, ULDC.
NOW, THEREFORE, in consideration of the promises, mutual covenants, and conditions contained herein and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties to this Agreement agree as follows:

Section 1. Recitals. The above recitals are true and correct and form a part of this Agreement.

Section 2. Purpose. The Purpose of this Agreement is:

a. To grant to any owner of the Property transportation concurrency as provided for a Final Certificate of Level of Service Compliance (CLSC) as required for the construction of the Project, subject to compliance by Developer with the terms and conditions of this Agreement and the CLSC; and

b. To recognize payment of the multimodal transportation mitigation by Developer as providing significant benefit to the impacted transportation system in the area of the Property.

c. To fulfill the Developer’s obligation to pay multimodal transportation mitigation.

Section 3. Development Identification. The proposed Development is known as the (Name) and is located at (Address), which is identified as Alachua County Tax Parcel number: 06891-000-000.

The Development is a (use).

Section 4. Multimodal Transportation Mitigation. The methodology used to calculate an Applicant’s Multi-Modal Transportation Mitigation shall be as follows:

The target funding level divided by the growth in vehicle miles of travel times the vehicle miles of travel for the proposed use.

OR

\[ VMT_g = VMT_f - VMT_b \]
\[ T_{cfl} = C_c - C_r \]
\[ T_{tofl} = T_{oc} - C_r \]
\[ VMT_r = \frac{T_{cfl}}{VMT_g} + \frac{T_{tofl}}{VMT_g} \]
\[ VMT_p = \left( T_g \times A_t \right) \times .5 \times (1 - \%CC) \times (\%NT) \]
Multi-Modal Transportation Mitigation = VMTr * VMTp

Where:

Vehicle Miles of Travel Growth (VMTg) = The projected total of vehicle miles traveled in the horizon year (VMTf) minus the base year (VMTb) vehicle miles of travel.

Target Capital Funding Level (Tcfl) = The total cost of transportation capital (Cc) for projects consistent with the Capital Improvements Element. Cost shall include all capital infrastructure construction costs, along with cost for design, right-of-way, planning, engineering, maintenance of traffic, utility relocation, inspection, contingencies, project management, stormwater facilities, turn lanes, traffic control devices, bicycle and pedestrian facilities, transit vehicles, and physical development costs directly associated with construction at the anticipated cost in the year it will be incurred.

Target Transit Operations Funding Level (Ttofl) = The total cost of transit operations (Toc) consistent with the Capital Improvements Element.

Committed Revenue (Cr) = The total committed revenue to fund transportation capital and transit operations.

Vehicle Miles of Travel Rate (VMTr) = Target Funding Level for transportation capital and transit operations divided by Vehicle Miles of Travel Growth

Vehicle Miles of Travel Proposed (VMTp) = The projected vehicle miles of travel for a specific land use

(Tg) = Trip Generation Rate
(AtL) = Average Trip Length
(CC) = Community Capture
(NT) = New Trips

For the purposes of determining Multi-Modal Transportation Mitigation obligations, Alachua County shall determine mobility improvement costs, including transit, based upon the actual cost of the improvement utilizing the latest available data. Mobility improvements, including transit should be consistent with projects identified in the Capital Improvements Element.

Section 5. Certificate of Level of Service Compliance. In consideration for payment of the Multimodal Transportation Mitigation, Developer shall receive a Final Certificate of Level of Service Compliance (“CLSC”), subject to the following condition:

a. Developer has elected to either utilize the Multimodal Transportation Mitigation schedule to determine the payment due or the applicant has completed an alternative Multimodal Transportation Mitigation study and the findings of the alternative study have been accepted and approved by Alachua County.
b. Developer, if applicable, has requested Multi-Modal Transportation Mitigation credit, has provided all required documentation and has agreed to either a value of the credit or the process to be utilized to determine the value of the credit. The details for any proposed dedication or infrastructure project for which credit is requested shall be provided in this agreement.

c. Developer agrees that any requested change to a development order may be subject to additional Multimodal Transportation Mitigation to the extent the change generates additional traffic that would require mitigation.

Section 6. Multimodal Transportation Mitigation Payment. Alachua County shall maintain a multimodal transportation mitigation contribution schedule in its building division office’s and on the County website consistent with Ordinance XX-11.

a. Recognizing the “time value of money,” Alachua County offers the following reductions in payment amount:

1. Payment concurrent with Development Plan Approval = 15% reduction
2. Payment concurrent with Building Permit Application = 7.5% reduction
3. Payment concurrent with Final Building Inspection = 0% reduction

b. Developer hereby elects to pay the multi-modal transportation mitigation at the time of _________________ and shall be granted a _____% reduction in the required multi-modal transportation mitigation.

c. Developer is responsible for payment of the multi-modal transportation mitigation. Developer may receive credit for the payment of all or a portion of the MMTM by a person who applies for and pays all or a portion of the Developer’s MMTF calculated pursuant to Section 4 herein.

d. Developer expressly agrees to pay the multimodal transportation mitigation payment set forth in Section 4.0, above within 10 days of the County’s request for payment. County shall not request payment until after a request for final inspection has been submitted.

e. This agreement does not constitute Final Development Plan approval or any intent by Alachua County to guarantee approval of the Final Development Plan application. If County denies the application for Final Development Plan, this agreement shall be null and void.

Section 7. Vesting for Concurrency Purposes. Upon completion of the payment described in Section 6, the, Project shall be deemed vested for concurrency purposes as defined in Chapter 163, F.S. and Chapter 407, Article XII of the ULDC.
Section 8. Governing Law. The Agreement and the rights and obligations created hereunder shall be interpreted, construed and enforced in accordance with the laws the State of Florida. If any litigation should be brought in connection with this Agreement, venue shall lie in Alachua County, Florida. The parties waive trial by jury.

Section 9. Attorneys’ Fees and Costs. The parties hereto agree that in the event it becomes necessary for either party to defend or institute legal proceedings as a result of the failure of either party to comply with the terms and provisions of this Agreement, each party in such litigation shall bear its own costs and expenses incurred and expended in connection therewith including, but not limited to, reasonable attorneys’ fees and court costs through all trial and appellate levels.

Section 10. Severability. If any provision of this Agreement or the application thereof to any person or circumstance shall be invalid or unenforceable to any extent, the remainder of this Agreement and the application of such provisions to other persons or circumstances shall not be affected thereby and shall be enforced to the greatest extent permitted by law.

Section 11. Agreement. This Agreement contains the entire agreement between the parties. No rights, duties or obligations of the parties shall be created unless specifically set forth in this Agreement.

Section 12. Amendment. No modification or amendment of this Agreement shall be of any legal force or effect unless it is in writing and executed by both parties, and meets the requirements of the Comprehensive Plan, ULDC, and County Code.

Section 13. Assignment. This Agreement may not be assigned without the prior written consent of the other party, and all the terms and conditions set forth herein shall inure to the benefit of and shall bind all future assignees and successors.

Section 14. Annexation. This Agreement is not intended to be, and indeed is not, a “development agreement” within the meaning of Sections 163.3220-163.3242, Florida Statutes. The parties shall not be deprived of their rights and obligations, and this agreement shall not be terminated, modified, or affected by operation of a municipal annexation of any portion of the Property.

Section 15. Waiver. Failure to enforce any provision of this Agreement by either party shall not be considered a waiver of the right to later enforce that or any provision of this Agreement.

Section 16. Further Documentation. The parties agree that at any time following a request therefor by the other party, each shall execute and deliver to the other party such further documents and instruments in form and substance reasonably necessary to confirm or effectuate the obligations of either party hereunder and the consummation of the transactions contemplated hereby.
Section 17. Notices. Any notice, request, demand, instruction or other communication to be given to either party under this Agreement shall be in writing and shall be hand delivered, sent by Federal Express or a comparable overnight mail service, or by U.S. Registered or Certified Mail, return receipt requested, postage prepaid, to County and to Developer at their respective addresses below:
